

LANGUAGE STIMULATION GROUP

Join our **LITTLE LANGUAGE LEARNERS** program for ideas to help enhance your child's oral language skills!

Facilitated by two qualified Speech Pathologists, this 4 session program will cover:

- Following your child's lead
- Language modeling
- Focused stimulation
- Effective use of books & music

Who? 2 – 3 year old children and their parents

When? 4 successive days in January 2012

Benefits of the Little Language Learners Group:

- Parents will learn about specific language enhancement strategies
- Plenty of 'hands on' time to practise these strategies
- Full support and assistance of two Speech Pathologists
- Friendly, small group setting

Register now, limited places only

Book by Friday 2nd December, 2011
